## VM PRAYER SPOTLIGHT

### Karl & Dale Rewa Blue Mound, KS

Blue Mound is on the east side of Kansas, about 30 miles from the state line. About 265 folks live in or near the city. Employment (related mainly to agriculture & farming) is scarce, and those who do work generally commute an average of 35 miles one way. Around town you can still see the old sidewalks in a few places, and here & there the foundation ruins of old homes and out-buildings. While many homes are in good repair, some have been abandoned to the ravages of time. A short drive through town would lead you to believe that once upon a time there was a growing city here.

The Federated Church started as a Baptist church in the 1890s. In the last couple years attendance has been growing, averaging about 60 per week. At one time not long ago, attendance was in the low teens and they were about to close the doors. We do have an after-school kids' program with about 30 coming weekly. We've met many of the parents, yet while they will send the children to church on Wednesday, we seldom see them on Sunday. With some folk it takes a long time to earn the right to be heard. Until then, we will continue to love the people and preach the Word.

We have a number of folks in their 90s who attend regularly. Please pray for the elderly in this community. We have a number of area families who need to bring their children to church. Pray for the families. We have a good relationship with many folks in town. Pray that the gospel will ring true in the ears of many.

### Key Passages of the Bible

*For the word of God is living and powerful, and sharper than any two-edged sword, piercing even to the division of soul and spirit, and of joints and marrow, and is a discerner of the thoughts and intents of the heart.*

Hebrews 4:12

Many people think of the Bible as a comforting book, but the Scripture claims to be a sword—alive, powerful, sharp. It cuts and penetrates way down into the depth of soul and spirit. It becomes a discerner of the thoughts and intents of the heart. Nothing cuts and penetrates like the truth of God. You could take all the psychology and philosophy in the world, and it cannot dismantle a man at the level of his soul as the Word of God can. And the reason is because nobody knows a man like God knows a man. The heart of every one of us is exposed to God, and the Bible reveals that penetrating insight into our souls. Yes, the Bible knows how to build us up, but it also knows how to convict and unmask our hypocrisy, how to cut into our pride and self-will, how to uncover our secret sins. But wherever God cuts, He heals, and whatever He reveals, He cleanses. And it's that kind of cleansing that makes me able to bear more fruit to my own joy and to the glory of God.
