## VM PRAYER SPOTLIGHT

### Ken & Charlotte Schmidt Morton, WA

Nestled in the Cascade Mountains of Washington not far from White Pass, we are on a junction of Hwy 12, Hwy 508, and Hwy 7. Morton is a small logging/retirement community, which is far enough from “civilization” that much of what people need can be found right here in town. In a community of about 1100, there is a car dealership, two grocery stores, a theatre, several banks, and a hospital, along with various other amenities.

There are several other churches in town, but only one other full-time pastor. We've been in our new building since August 2010, and it is wonderful! We now have AWANA, Sunday school, and several other church ministries. Pray that the Lord will continue to add to HIS church, and strengthen us as we continue to serve in faith.
