VM PRAYER SPOTLIGHT

Steve & Elaine Powers

Four Lakes, WA.

We're located 10 miles SW of Spokane in what has become more of a bedroom community for the city. The population is growing, with more housing developments springing up in the nearby area. Please pray that we would be effective in reaching out to those in our neighborhood and those who are moving into the area. Please pray as well that we would be able to develop effective ministries to the youth in the area – children as well as teens.

### **Key Passages of the Bible**

*And we know that all things work together for good to those who love God, to those who are called according to His purpose.*

Romans 8:28

The best manuscript evidence of the original Greek records this verse this way: "We know that God causes all things to work together for good." Now, we understand that there is evil, not only in the world, but in us. It isn't saying that all things are good. It says that God causes all things to work together for good. This leads us to the profound element of God's supreme authority and power over all the issues of life to produce out of them His own good purposes. God takes all the contingencies of life, all the choices, all the good, bad, and indifferent things, and weaves them together for ultimately a good purpose. That is the promise that God is giving to those who have been called to salvation. Every suffering, temptation, trial, even every sin, God works together into a tapestry that ultimately is for your good. You might not see it at the time. It's like looking at the back of a Persian rug. It's just a bunch of threads going into chaotic directions. But when you turn it over some day in eternity, you'll see how it all worked together for good.
