VILLAGE MISSIONS PRAYER SPOTLIGHT

Chris & Naomi White Rich Valley, AB

About an hour from the provincial capital of Edmonton and 20 minutes from two neighboring towns, our 'town' consists of our church, about 16 houses, a Community Hall, and a Volunteer Fire Department. Though our 'town' is small, the surrounding area is very populated...if you drive down any road you'll find more houses in 5 miles than in the town itself. The community is a mix of oilfields, ranchers, and people who commute to neighboring towns or cities for work. Our church is going through a time of revival as God is reviving His church here. Our church has recently gone through a very difficult time, but we are moving forward with renewed enthusiasm. Pray for us as we move forward as a body and as we seek the Lord's direction for His church here. Praise the Lord for our 5th child who was born in September, the day before our oldest started kindergarten (5 kids in 5 years – no twins or triplets!).

The Law In The Heart

[They] show the work of the law written in their hearts.

Romans 2:15

Marilyn Laszlo dedicated her life to giving the Hauna people of New Guinea the Bible in their own language. As she worked on the translation, she came to the word for "sin." When Marilyn asked the people what they thought sin was, they told her, "It's when you lie." "It's when you steal." "It's when you kill." "It's when you take another man's wife."

Marilyn was astounded. They were giving her God's standards as spelled out in the Ten Commandments. "God's law is written on the heart of man," she later commented, underscoring the truth found in Romans 2:14-15.

What a remarkable verification of biblical truth! Our faith is strengthened by accounts like this. But there's something else. If each person on earth is aware of sin (which is true even though some deny it), we need to make sure everyone hears the remedy. Jesus paid the penalty for sin and offers all sinners a life free from bondage.

God put His law in our heart, but we can never live up to its requirements (Rom. 3:23; Jas. 2:10; 1 Jn. 1:8). The law shows us how enslaved we are by sin, but God's grace to us through Christ brings liberty. If we have experienced that forgiveness and freedom, it's up to us to share the good news with others. — Dave Branon
