## VILLAGE MISSIONS PRAYER SPOTLIGHT

### Roy & Lennie Adrian

Western Canadian District Representative & Canadian Regional Administrator, Sorrento, BC.

We're in Notch Hill, a rural area just out of Sorrento, BC, three miles from Shuswap Lake and 20 minutes from Salmon Arm. We attend a small independent church in Chase, 20 miles west of Notch Hill. Lennie just retired from the medical clinic in Chase, so life is going to be a lot different for us. Pray for us, especially Lennie as she adjusts to the loss of a position she really enjoyed. Lennie is also responsible for the donations and receipting portion of the Canadian office and for processing the bulk of Village Missions mail, which now comes to our home. Praise God for answered prayer. We don't take our safety on the road for granted; God grants us protection every day. Praise Him for His financial supply for VM. Pray for more missionaries – we have 6 fields waiting for leadership, which puts a burden on me (Roy) as I talk with these boards. Pray we would be godly leaders, ministering grace and encouragement to the missionaries we serve.

## *The Results of Yielding to Culture*

*Brothers, I could not address you as spiritual but as worldly — mere infants in Christ. I gave you milk, not solid food, for you were not yet ready for it. Indeed, you are still not ready. You are still worldly. For since there is jealousy and quarreling among you, are you not worldly? Are you not acting like mere men?*

1 Corinthians 3:1-3

Believers fit into one of two general categories. First, there are committed followers of Jesus Christ. These believers are focused on pleasing God and growing in their faith. The other type of Christian isn't concerned with spiritual matters. Instead, they remain focused on worldly things. Such people are heavily influenced by their culture and often compromise their convictions.

When a believer loosens his grip on God's Word, he begins the decline into his earthly desires. Perhaps he disobeys a command or refuses to believe a certain truth. Or he may simply stop reading Scripture. Sooner or later, something in the culture grabs his attention. This fixation slowly influences him and consumes his time and resources. His "new love" gradually wins his affection away from the Lord.

After a while, other aspects of culture that once appeared undesirable begin to look appealing. The believer may dabble in such things at first and eventually indulge with abandon. Eventually, his witness is ruined because neither his conduct nor his character are consistent with a follower of Jesus. The culture's influence has rendered him useless for the kingdom of God.

Have you yielded to the world's mindset? You don't need to waste your life in pursuit of things that can't bring lasting peace. Repent and return to the God who saved you. Peace and fulfillment are the reward of those whose sole focus is to please the Lord.
