VILLAGE MISSIONS PRAYER SPOTLIGHT

Alan & Bonnie Klein Sutherlands River, NS

We're located just off the Trans Canada Highway between Truro and Cape Breton Island. Our nearest town, New Glasgow, is the largest town in Pictou County. The region has history in coal mining and manufacturing and currently is home to Michelin, Sobey's head office, and Neenah Paper. We live among rolling hills and our church is on 23 acres of land with lots of trees. Our church bought this small farm in 1998 and has been working on renovations to convert the barn to a church. Although the main work has been done for a few years now, we're finishing up all the final touches, including installation of a kitchen. Pray for us as we finish the work this winter and look to the Lord for direction for the next stage of ministry.

Infinite Love

*God's love had no beginning,
Because He is eternal.
His love can have no end,
Because He is infinite
And has no limits.
His love is an incomprehensibly vast,
Bottomless ocean
Before which we kneel
In joyful silence.*

- Anonymous

God is great. Every characteristic of God bears the imprint of His greatness. There is such a limitlessness about God's nature and His attributes, that we say God is infinite. He is infinite because there is no limit to His perfection.

Man and all created beings are finite, which means they have a limit, a beginning and an end to their earthly existence. They are subject to the limits of time and space.

But God has no boundaries. He is unsearchable in His grandeur and the attributes of His nature. He fills and transcends all time and space. He is omnipresent. Our finite minds cannot comprehend the infinite nature of God.

*"Great is our Lord, and abundant in strength;
His understanding is infinite."*

- Psalm 147:5

His love is infinite and is always the same.

*Love is more than a characteristic of God;
It is His character.*
